

FRIDAY 27th MAY 2022

There has been a wealth of learning this week. The children have been so busy, with all of their usual lessons and our KS1 and KS2 children have been swimming every day.  
It is fantastic that we are able to take our children swimming again and they have made great progress this week

It was great to have our 'Good Work' assembly at the start of the week and our pupils are always very supportive of one another and encouraging. We spent some time considering road safety and bike safety and the need to 'Be Smart, Be Safe and Be Seen'.

I have spent time further reviewing your comments and views from the parent survey we completed earlier in the term and have produced the table below as an update for you.

We are always working to further improve the school and to develop even stronger relationships with you as parents and carers.

Please do not hesitate to contact me if I you have any concerns or I can help with anything in any way.

As a reminder we also have information on our website and we are holding our parents' forum on the 8<sup>th</sup> June at 5pm, we hope to see as many of you there as possible

You may have seen our Facebook post, Mr. Harman has been working on our garden area and working to improve this area. If you have any cuttings, they would be gratefully received.

We are excited for our Pupil Showcase and our Jubilee celebrations on Monday 6<sup>th</sup> June.

We look forward to welcoming you in to school from 2pm.

Please bring in the cakes on the morning of the Jubilee celebration.

We hope you have a lovely half term, and that we all get to enjoy some sunshine.

We look forward to seeing all our children back in school on Monday 6<sup>th</sup> June.

Sophie McCabe

**Any events that are highlighted in red parents are welcome to come to.**

## CALENDAR

**w/c 06/06/22**

Year 1 Phonics screening

# The table update from the Parent Survey

## YOU SAID, SO WE WILL.....

YOU SAID	WE WILL / DO
25% of you said we didn't make you aware of what your child was learning during the year (1 out of 4 responses)	<ul style="list-style-type: none"><li>· Curriculum intent statements are shared on the website</li><li>· Links to curriculum referenced in the weekly Newsletter</li><li>· Teachers will share the topics the children will be studying from September 2022</li><li>· Yearly over views are on the website</li><li>· Links to any sites or documents that can support the children's learning will be shared with parents</li><li>· Parent meetings are planned for twice a year where teachers will share with parents the work their child is doing in more detail and the progress they are making.</li><li>· Pupil Showcase events will also take place twice a year from September 2022</li></ul>
25% of you did not feel concerns were dealt with properly (1 out of 4 responses)	<ul style="list-style-type: none"><li>· Encourage parents to raise their concerns straight away with the class teacher either via phone call or email.</li><li>· If still not satisfied then the concern to be raised with the Head who will respond as soon as possible.</li><li>· Meetings face to face will be arranged to resolve any issues which may remain</li><li>· School has an open door policy so parents can contact us freely when they need to.</li></ul>

# Donations of plants/cuttings

Mr Harman has been hard at work making the front garden look lovely for our Jubilee Street style event on the 6th June.

He's removed lots of weeds and planted some new plants and flowers! Here are before and after photos above. Thank you Mr Harman it looks lovely!

**Also a big thank you to those who have donated plants, we really appreciate it.**

Mr Harman also had some help from the EYFS, there are some photos of them planting some donated plants on the next page.

Please donate  
cakes drinks

# Cake Donations

On the 6th June for our Jubilee event we are asking for donations of cakes.

If you are planning to donate any cakes, we ask that you fill out an allergen form. It looks like the one below and is attached along with the Newsletter.

It is attached to give people the option to fill it in at home, although you can come to the School Office when you drop the cakes off and fill one in then if you would prefer.

## ALLERGEN CONTENT RECORD

Homemade Product Yes  No   
 Purchased Product Yes  No  (If yes attach photocopy of ingredient list)

I/We declare that the product/s brought into school and detailed on this form do not contain nuts and include all known allergens as listed. |

Name	Signature	Date

# School Council—Thank a teacher

Arlecdon School Council have produced these packs for National Thank a Teacher day. They not only chose to thank all of the teaching staff but they have made a pack for every member of staff who work in school.

# GOOD WORK ASSEMBLY

Each week children from each class are selected as 'Stars of the week'  
We celebrate this in our assemblies  
These young people were awarded certificates this week.

## **EYFS**

Herbie was our star worker as he has shown an amazing wealth of knowledge during our dinosaur topic. He is eager to share his knowledge and also to extend his learning through listening and participating in every activity.

## **Key Stage 1**

Franki is star of the week for her concentration during all of our science lessons. She has retained the knowledge about what plants need to grow and can explain how to set up an investigation to see if plants really do need soil, water and sunlight to grow.

## **Key Stage 2**

Our star workers this week are Laila, Leo and Eva for their amazing writing with wonderfully adventurous vocabulary, creating their own versions of the myth: Medusa. In addition to this, Leo has also demonstrated some fantastic values of learning, pushing himself hard to achieve for the whole week relentlessly, and demonstrating impeccable and respectful manners all around the school. Well done to you all.
