

FRIDAY 10th JUNE 2022

I hope you had a wonderful time celebrating the Jubilee.

We certainly enjoyed our school celebrations and really appreciated so many people attending our event.

It was wonderful to be able to have parents and family members back in school and the children had a great time, they also brought home a Jubilee mug which they received from the Trust which was a lovely gift.

We didn't want to take the bunting down! It was a lovely way to start the new half term.

I would like to take this opportunity to share our congratulations to Mr. Johnson, our CEO as he has been awarded an OBE in the Queens Birthday Honours list for services to education, this is such a fantastic achievement.

It has been a busy week as always; our Year 1 pupils have been sitting their phonics screening assessments and our Year 4 pupils are preparing for their multiplication assessments.

Our Year 6 pupils are working on their extended writing and all lessons are focused and pupils are working incredibly hard.

We hope you were able to spend time looking at your children's work on Monday but if you would like to reschedule, please do not hesitate to contact me and we can organise a time for this.

You will see that we have lots of activities and events this half term and we hope the weather will be on our side.

Please send sun cream in to school with your child/ren for this to be applied as appropriate.

Please ensure the sun cream has your child's name on it.

We held our parents' forum this week, these will take place termly and the minutes are attached to this newsletter and will be shared on the website.

Thank you to everyone who attended and for sharing your thoughts and views.

Please see a message on the next page from Joanne Fowler who, with other parents, is organising the Arlecdon Summer Ball.

Have a lovely weekend.
