

This week has been fantastic. The children have had the opportunity to challenge themselves and enjoy different experiences. Sports week was a huge success.

We celebrated our Year 6 pupils SATs results on Tuesday, and we are extremely proud of them. The results were incredibly positive and all of our children have been successful. Our results were well above the national average and we are thrilled with our children's success. These results show our pupils are ready for the next stage of their education. We know they will be successful there, just as they have been at Arlecdon Primary School.

We have shared a letter regarding our breakfast provision, we are looking to do all that we can to be able to maintain our provision and we will work to confirm the position as soon as possible. Please do not hesitate to contact me if you would like to discuss this.

All our pupils enjoyed their transition day on Wednesday and spent the day in the classes they will be in from September. This was a great day. If you have any questions or would like to share anything with staff prior to September please do not hesitate to contact the office and this can be organised.

There are still so many exciting events to happen this term, and we will ensure we share as many photographs as possible.

Many thanks,  
Sophie McCabe
