

Our talent shows have been fantastic. What a wonderful performance by every child on the stage.

Our shows were action packed, with dancing, comedy, poetry, science, acting and sports skills.

I want to thank all the teachers for their support and thank our audiences for their encouragement and participation.

Of course, my biggest thank you goes to the children.

It's a huge thing to stand on a stage at any age, but they were brilliant.

The end of term is always full of wonderful activities and events and we are looking forward to our sports day on Monday.

We also have our leavers' assembly next Thursday at 9.30am.

Our Year 6 children have achieved so much during their time at Arlecdon Primary School, including amazing SATS results and staff have loved watching them grow.

They will be missed, but not yet, as we will enjoy our final week with them!

As a reminder we finish for the summer holidays on Thursday at 1pm.

School reopens on Wednesday 7th September.

We received some very positive feedback from parents this week recognising the commitment of staff and the progress made by their children, this is always great to hear and we thank parents for sharing this.

If there is any information that you would like from us as a school please do not hesitate to contact a member of staff.

Have a lovely weekend

Sophie McCabe

Arlecdon Rugby Club's sponsored walk

This week some of our pupils took part in a walk up Dent to raise money for a bus.

The bus is to take them to go and watch a Wigan Warriors match in August.

Well done to everybody that took part, this is a fabulous achievement!

GOOD WORK ASSEMBLY

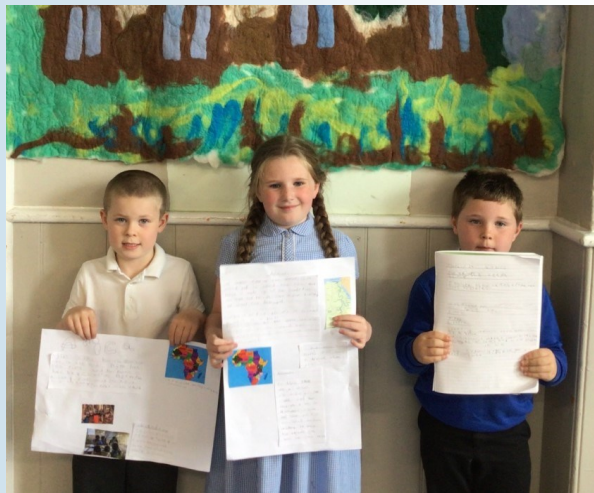

Last week weeks assembly was postponed to Monday this week due to Sport's Week trips.

Here are the stars of the week from last week!

EYFS

Elizabeth

Elizabeth was star of the week for her confidence during her first school trips.

Key Stage 1

Austin, Emi and T-Jay

Austin and Emi were stars of the week for producing brilliant information posters on Africa.

T-Jay was star of the week for showing great improvement in his handwriting and work ethic in a short space of time.

Key Stage 2

Eva

Eva utilised all of her learning in her time at school over the years to help support younger children on transition day, leading her own science experiments and demonstrating fantastic knowledge, patience and sharing of skills.

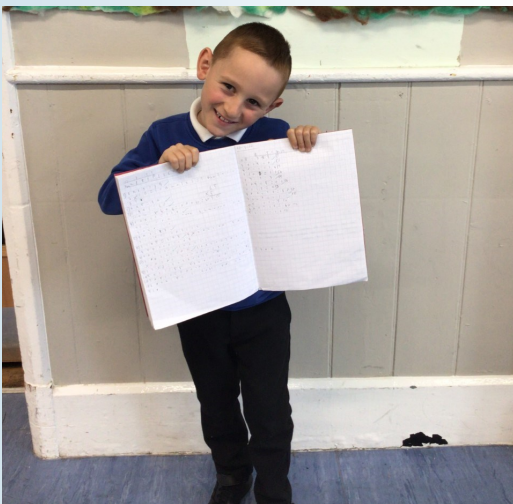

GOOD WORK ASSEMBLY

Each week children from each class are selected as 'Stars of the week'
We celebrate this in our assemblies
These young people were awarded certificates this week.

EYFS

Our star workers for this week are the whole class for their exceptional talents during our show. We are very proud of each and every one of them.

Key Stage 1

Tom

Tom has been working extremely hard this week to ensure his maths work is presentable and that he shows all of his working out.

Key Stage 2

Scarlett and Jaydon

Scarlett and Jaydon won star of the week for their efforts in understanding increments of time.

From Pre-History to the Present, our interactive galleries and exhibitions are waiting for you to explore. There's something for all the family to enjoy.
