

FRIDAY 23RD SEPTEMBER 2022

There is lots to share this week. We ended last week by placing our remembrance ribbons on our gate and we thank parents and families who also took part in this. This provided our young people with a moment of reflection and demonstrated our appreciation and recognition of Queen Elizabeth's reign

Our pupils have loved returning to Forest School. There are so many benefits of Forest School, such as improvements in self-esteem, social development, language, health and physical abilities, and the children making wonderful memories.

We held our 'meet the teacher' drop in on Tuesday, if you were unable to pop in at this time and would like to meet your child's teacher, please contact the school office. We will be holding a number of parent events this term; parents' meetings will take place the week beginning the 4th October and we will hold a parents' forum the week beginning 31st October and hold our pupil showcase sessions in December.

On Wednesday our KS2 pupils joined Thornhill Primary School KS2 pupils and the morning started with a fantastic assembly, this was delivered by Imran and he spoke with the children about Islam, he also delivered workshops to our year 3 and 4 pupils and year 5 and 6 pupils. It is great to be able to have visitors sharing their knowledge with the children and it was a great experience which enhances our RE curriculum.

We ended our week rewarding Buttermere as they were the team with the most GEMS last week, the reward was selected at random and the children had an extra playtime, which they loved.

Have a lovely weekend,

Sophie McCabe

## CALENDAR

**26/09/22-29/09/22**  
Year 5 and 6 Cyclewise

**27/09/22**  
Year 5 and 6 REACT  
show at Lakes College

## Year 5 and 6 Bikeability

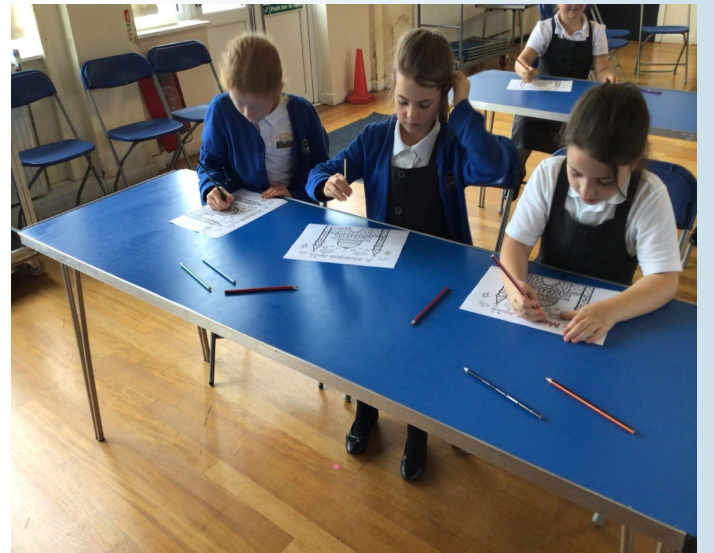

Children can wear their regular uniform next week, as long as they are able to cycle comfortably in it. They may however, wish to bring spare tracksuit bottoms and should have trainers to wear as well. They should also ensure that they bring a water proof jacket to wear in case of showers.

## ATTENDANCE

REC -100%	YR1 -100%	YR2 -93.75%	YR3 -100%
YR4 -100%	YR5 -100%	YR6 -94.44%	W/S -98.32%

# Islam Assembly and Workshops

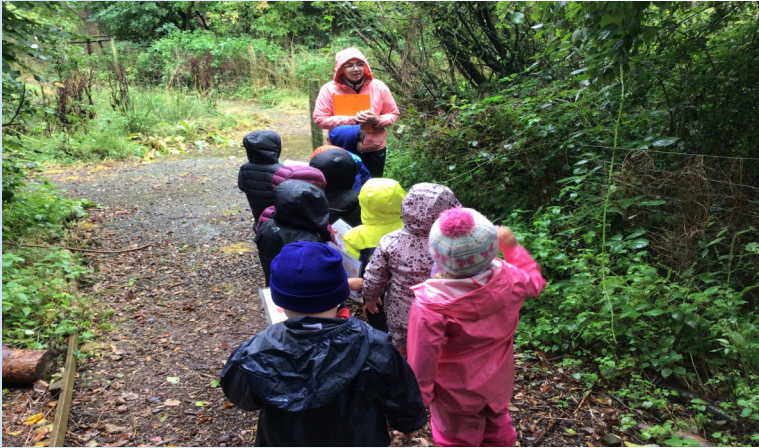

# KS2 Trip to Forest School

# KS1 trip to Forest School

# EYFS

This week has been a little mixed up but the children have coped with the changes. We have continued our topic 'Me and My World' by looking at how we have changed and our families. Some children have created timelines showing them growing and changing in school and then created a picture of their families using straws of different lengths to represent the different members. We had a fantastic time at Forest school and even though it was very wet it didn't spoil our day. The owner of Stockswood Centre commented how positive our children had been even though we were doing the activities in heavy rain there weren't any complaints at all. Next week we are looking at homes in our community and we would like all children to bring or send a photo of their home to school. These can be emailed to Mrs Finlay or sent via Tapestry. Could these be sent by Monday morning as we are using them in the afternoon.

The Social Inclusion Team at Copeland Borough Council are working in partnership with Rosehill, the Copeland Wellness Team and Groundworks to deliver free, weekly Warm Wellness Hubs in Whitehaven United Reform Church, starting on Monday 3rd of October, then each Monday after until the 12<sup>th</sup> December, 10:00-14:00.

The Warm Wellness Hubs will be a place for the residents of Copeland to come and keep warm and receive a warm meal and refreshments. We will be inviting partners along to deliver information and advice sessions in the morning, e.g. energy advice/how to make your money go further/healthy eating on a budget, then in the afternoon we will have a creative session where residents can enjoy arts/photography/song writing/pottery.

**FREE**
