

FRIDAY 18TH NOVEMBER 2022

We have had another busy and wonderful week. We started the week with an assembly from Reverend Nicki, EYFS have been exploring traditional tales, KS1 have been out and about looking for micro habitats and cooked up a storm and KS2 pupils had a visit from colleagues at the Whitehaven Harbour Youth Project where we found out a wealth of information about the sea bins and we have also covered all areas of the curriculum.

The week has ended on a high, as we have been very active. As a school community we always support charitable events remarkably.

Please return any donations or sponsorship forms to school by Monday. It was great to see our children smiling throughout the day as they enjoyed the nursery rhyme ramble and the sponsored walk. It has been a fun-filled Friday.

I would like to remind you of our pupil showcase event next Wednesday, this is an opportunity for you to see your children's work and provides our children with an opportunity to talk about their learning and show examples of their work. They are very proud of their work, and they are provided with fantastic learning opportunities on a daily basis. Teachers will be available to speak with, but I must clarify that this is not a teacher/parent meeting.

It is anti-bullying week this week and the theme is 'reach out'. We always teach our children that everyone deserves respect, and we work to foster, nurture and build positive relationships so our children always know they can reach out to us. We have our pupil friendly child on child abuse policy on our website and we want to make sure our children feel looked after, safe and happy, when they are in and out of school.

Next Friday the school office will be closed from 11am. We will still work to pick up messages throughout the day and if you do come to school, please ring the bell and someone will be with you as soon as possible. Next weeks Newsletter will not be sent out on Friday, it will be sent out Monday 28th November.

Tickets for our Christmas shows will be on sale week beginning 28th November, please see the next page for more information.

Have a lovely weekend

EYFS

This week was World Nursery rhyme week so we have based our week around the five nursery rhymes - The Big Ship Sails, 12345 Once I Caught a Fish Alive, 5 Little Speckled Frogs, B I N G O, Twinkle, Twinkle Little Star. We have sung the rhymes, made up actions and even changed them slightly to create our own versions. There has been lots of opportunities to play games, create frog masks and model boats and choose activities based around the rhymes too. We have also enjoyed singing lots of other rhymes during our singing time as we do every day.

GOOD WORK ASSEMBLY

Each week children from each class are selected as 'Stars of the week'
We celebrate this in our assemblies
These young people were awarded certificates this week.

EYFS

Ever

Ever is star of the week for independently writing her name on her pictures.

Key Stage 1

Austin

Austin is star of the week for taking care in DT and showing fantastic chopping skills.

Key Stage 2

Franki and Violet

Franki is star of the week for trying hard with her maths work and asking for some support from her peers when she required it.

Violet is star of the week for helping her partner and the kindness she shows her partner by checking that they understand the work set
