I would like to express my thanks for your generous donations for our sponsored walks last Friday. All staff were so incredibly proud of our children and a fun time was had by all. We are overwhelmed by your generosity and the final total stands at £624.50. I hope you saw the article in the Whitehaven News.

I hope you were impressed with your child/children's work at the pupil showcase event, I know they enjoyed showing off and talking about their learning and we really like to have parents and family members in school.

We have lots of events and activities over the next few weeks, starting with a visit to the pantomime and we are incredibly grateful of the support from the Friends of Arlecdon who have kindly donated to support these events which enables us to keep the costs as low as possible.

Repair/improvement work will be taking place to the building, this will start with work to the roof. The work will start in the new year, but the preparation work is already starting, we believe the scaffolding will go up over the Christmas break and we have an additional storage shed for materials for this, we will provide regular updates.

We do appreciate this can be a difficult time for families and if we can support in any way please do not hesitate to speak with any member of staff.

Have a lovely weekend,

Sophie McCabe

GOOD WORK ASSEMBLY

Each week children from each class are selected as 'Stars of the week'
We celebrate this in our assemblies
These young people were awarded certificates this week.

EYFS **Elizabeth**

Elizabeth was star of the week for trying hard writing her name in the morning and independently writing some of the letter os her name on her work.

Key Stage 1 **Adanna**

Adanna was star of the week for fantastic progress with her independent reading and reading words on sight

Key Stage 2 **Franki and Harrison**

Franki was star of the week for perseverance with her reflection work in maths resulting in her completing challenging reflections independently.
Harrison was star of the week for attention to detail with his liner drawing and collages of the patterns in bark
