

FRIDAY 24TH MARCH 2023

It feels as if I say the same thing week in and week out here when I mention how busy we are.

This week has been no different.

The children and teachers are super busy in classes and our Year 1 to Year 6 children all enjoyed a great afternoon at St Paul's Church for the Easter Experience.

We also enjoyed welcoming parents and grandparents in to school for our pupil showcase, our pupils are very proud of their work and they love to show this off.

It has been assessment week this week, and the children have all tried incredibly hard.

One of my loveliest moments this week has been celebrating some incredibly positive scores and pupils celebrating each other's results. I think it is fantastic that our children are proud of themselves and of their peers, there is nothing better than peer support.

The information from our parent forum is available on our website, we hold these forums to provide you with an opportunity to find out information about school improvements or developments or key areas of focus.

You will see we are working to improve the school building internally and externally.

Our next project is the library and our pupils are working to support with this and raise funds for this.

Our pupil leaders have introduced a number of fundraising activities this term on a Friday, *Fundraising Friday's*, and we are grateful of your support.

There is also our Bingo event next Wednesday, which will be fantastic, if you haven't already got a ticket, please make sure you do!

Have a lovely weekend,

Sophie McCabe

## Calendar

**27/03/2023**

Decorated Egg  
Competition

**27/03/23**

Gymnastics Competition

**27th-31st March**

Swimming 1-2pm

YR4 –100%   YR5 – 85.19%   YR6 –100%   W/S –95.63%

# Decorated Egg Competition

We are holding a Decorated Egg Competition!

Monday 27th March 2023

This will be judged by Reverend Nicki in an Easter themed assembly Monday morning.

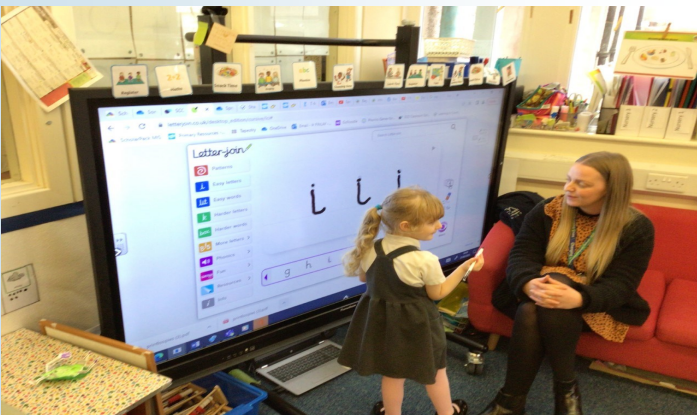

This is optional, you don't have to take part if you don't want to.

If you would like to take part please bring the decorated eggs to school with the children Monday morning.

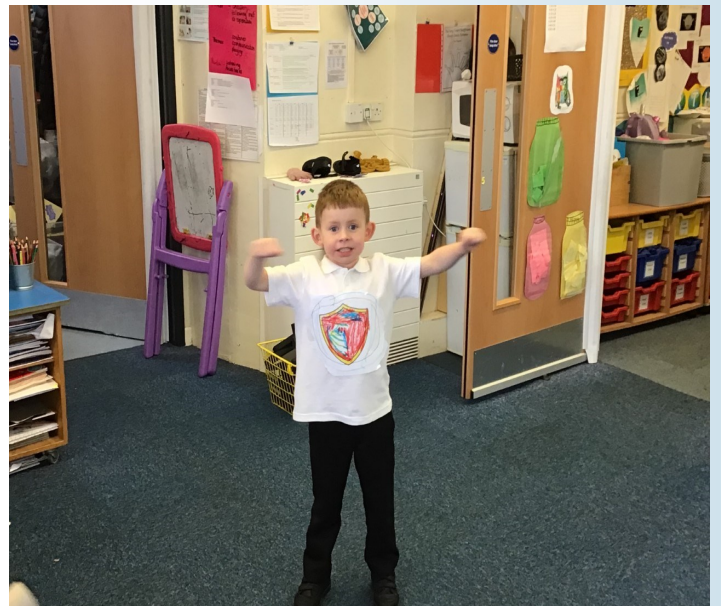

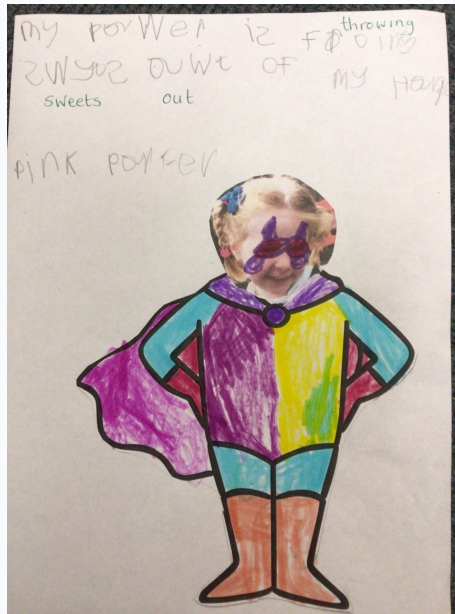

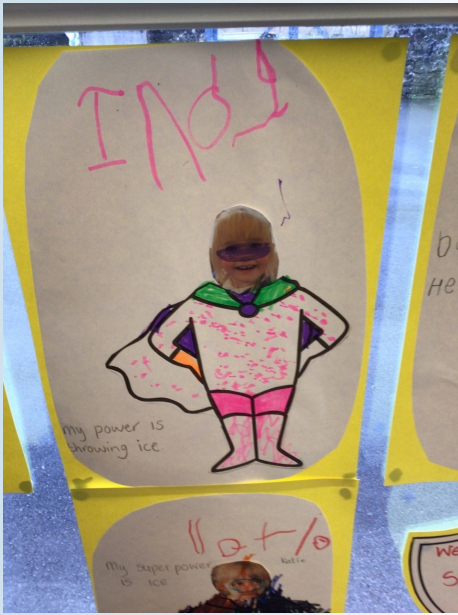

# EYFS Pupil Showcase

We welcomed our parents in to school today for another pupil showcase. Our children first showed their parents what we do in our phonics session and how we learn to read using Read Write Inc. Then they showed their parents all the work they have been doing.

# EYFS

We have been talking about ourselves and why we are superheroes. Everyone thought of things they do well, a superhero name and what power they would like to have. The children then made themselves into superheroes. Then they created 'mini me's', costumes and logos to wear.

# Team Evie

Thank you to those who took part in the Team Evie reading challenge.

We raised a total of £320!

Here is Harrison and Leo presenting the money to Greg in today's

# GOOD WORK ASSEMBLY

Each week children from each class are selected as 'Stars of the week'  
We celebrate this in our assemblies  
These young people were awarded certificates this week.

## EYFS

### **Tucker**

Tucker was star of the week this week for working hard for his independent writing.

## Key Stage 1

### **Laney and Adanna**

Laney was star of the week this week for consistently trying hard to improve her writing.

Adanna was star of the week this week for writing her own story independently.

## Key Stage 2

### **Franki**

Franki was star of the week this week for producing a wonderful game with an electrical circuit in DT.
