

FRIDAY 31ST MARCH 2023

We have had a fantastic week. On Monday some Year 5 and 6 pupils represented Arlecdon at the Gymnastics Key Steps County Finals in Penrith. We were very impressed and proud with how the children conducted themselves. They were committed and put 100% effort in to their routines, they were superstars!

Our Reception to Year 6 children have been swimming this week, and they have thoroughly enjoyed this. Swimming is an important skill set for safety and is a skill for life. We are incredibly proud of all our children for embracing this and enjoying it!

Also, on Monday some of our children helped to plant some trees in our field, these were donated by the Woodland Trust. Trees are a bit of a miracle, in more ways than one! But one of their best qualities is their ability to act like sponges for carbon. They absorb carbon by removing it from the air and locking it in their wood and roots – and they can do so for decades, or even centuries. As a school we are committed to improving the health of our planet.

We held our Bingo event on Wednesday and I want to thank Mrs. Finlay and all the staff who supported this, and a huge thank you to our parents and carers for supporting this event. This term we have raised money for Team Evie, Red Nose Day and we are incredibly grateful for the donations for the improvements to our school library. Thank you.

We had a wonderful trip to Edinburgh, the performance of Charlie and the Chocolate Factory was fantastic. It was a memorable day out and we will be humming and singing the songs from the performance for weeks to come.

It has been a wonderful term, I can't believe we are approaching the summer term already, time flies when you are having fun.

Have a lovely Easter,

Sophie McCabe
