

FRIDAY 5th MAY 2023

It was great to start the week by sharing our Ofsted report, as shared on Tuesday.

We are very pleased that the hard work undertaken by the staff, both teaching and support teams, and of course the children, has been acknowledged and praised.

It is fantastic to read that pupils enjoy attending school, and are kind and caring to each other.

Arlecdon Primary School is a wonderful school.

We are continuing to improve our school building, and the electrical improvements continue, the school is being re-wired and we are working to ensure there is as little disruption to the school and the children's learning as possible.

Next week our Year 6 children will sit their SATS.

We know the children have worked very hard preparing for these and this is their opportunity to shine and to do their very best.

We wish them the very best of luck, and we are so incredibly proud of all that they have accomplished.

We hope you enjoyed the coronation celebrations; we always like to welcome you in to school.

Have a lovely long weekend.

Sophie McCabe

Executive Headteacher
