

## Chargeable extras :

We are committed to being open and transparent about any charges for services that sit outside a child's funded early education entitlement. Below is a clear breakdown of the services we offer, identifying which elements are provided free of charge as part of your child's funded hours and which may incur an additional cost. Any charges relate solely to optional extras or additional hours and are not a condition of accessing a funded place. Parents and carers are free to choose whether or not to take up these additional services.
